This concert is made possible in part with public funds from the New York State Council on the Arts as part of its decentralization program in Onondaga County. The decentralization program is administered by the Cultural Resources Council.

The OCMEA Wind Ensemble was founded in 1987 for the purpose of providing Central New York music teachers and their students the opportunity to hear live performances of quality wind music. It also serves as an outlet for the professional musician, music teacher, and the exceptional amateur to perform in a wind ensemble setting.

The wind band has a rich and important heritage in music history and its repertoire comes from the most respected composers of the past as well as the present. The goal of the ensemble is to promote the wind ensemble as a serious and distinctive medium of musical expression.

The Onondaga County Music Educators Association Wind Ensemble would like to thank the following for their continued support throughout our existence:

Onondaga Music Company, Inc.
Central Music Supply
Wendell Harrison Music Company
West Genesee Central Schools
Lafayette Central School
